

In response, applicants elect Group 1, claims 1-19.

The examiner has also imposed an election of species requirement on the subject matter of the claims, as between the following patentably distinct species:

- A thermal management system comprising a cooling gas motive driver.
- A thermal management system comprising a terminal and strap cover.

In response, applicants elect a thermal management system comprising a cooling gas motive driver. The claims readable on such elected species are claims 1, 2, 4-10, 12-16, 18 and 19.

It is requested that the examination of the application proceed consistent with the foregoing.

Respectfully submitted,

/steven j. hultquist/
